Technical Diving International

August 23rd 1997

To: Whom it may concern,

Dan Roland has worked for our dive operation for the past 5 months (Utila Lodge Resort and Bay Island College of Diving).

Dan was on the job as Divemaster, Assistant Manager and Bartender, demonstrating above average skills and ambition in these positions.

Dan is great in dealing with all types of clients.

As Assistant Manager at the dive school, recruiting new students and promoting continuing education in diving.

As a Divemaster at the Lodge Dan proved to be an excellent guide on dives.

His work ethics and concern for safety not only for the clients but also for the staff, exceeded what was required of him.

Filling in as Bartender several nights a week, Dan was a cheerful host to our guests at the bar.

We fully recommend Dan for any position that you may have available, if not please try to talk him into returning to Utila as we would gladly have him back as a member of our team.

I wish him well.

If you have any questions or comments, please feel free to call.

Jim Engel,
(Owner Utila Lodge Resort)
